Dear Parent/Carer

### Educational Visits

This week two more classes enjoyed immersive educational experiences. Class 3 had a fantastic time getting very close to nature as part of their Roald Dahl topic. Class 4 visited the dry ski slope in Plymouth to tie in with their class reading book set in the arctic Erkenwald. All children reported having an amazing time and were a real credit to the school. Next week Class 2 are enjoying an afternoon tea, with a very special guest. Class 5 have to wait until the last day of term for their visit to Longleat.

### Row 4 Miss O

A huge effort by everyone in school this week has hopefully seen us successfully row 255 miles over the 5 days. The children have been fully involved in either rowing or encouraging their friends through the week. The money raised will be used to build a 'friendship den' to be used by current and future pupils on our playground, with the rest being donated to Treliske hospital. Any sponsor money or donations can be handed in to Mrs Holroyd in the office between now and Wednesday 3rd April. Thank you for your support, it means a lot to the children and staff of our school, and to Miss Oxenham personally.

### Infant Playground

This week the new infant play area was installed. This is a fantastic development for the school and provides further outdoor activities for the children. Huge thanks need to be given to Mr Holroyd, Mr Hilton and Kenwyn Parish Council for their time and generosity, and for Mr Easter for arranging for the play area to be installed.

The area is specifically designed for Year 1 and younger children, so we ask you to please ensure that all children under this age who use the equipment out of school hours are carefully observed by their parents. Thank you.

## REMINDERS

### Parent Pay

Can all parents check their account and begin to pay outstanding arrears for clubs and educational visits. Thank you to those who are up to date.
