

Hello

We hope you and your families are all safe and well. Just a reminder that we have one more week until half-term; we break up next Friday (28<sup>th</sup> May) and we return on Tuesday 8<sup>th</sup> June – Hopefully, the weather will be better than we have experienced this week!

### **Coats**

On the subject of the weather. Please ensure that your child arrives at school prepared for the conditions. This week we have had a few children without coats; this makes it difficult for them to be comfortable on the playground during the winds and rain.

### **Attendance**

Currently our attendance for the year stands at just under 98%. This is fantastic considering the current situation. Obviously, high attendance has a positive effect on attainment. The more your child is here in school the more opportunity they have to develop academically and socially. Thank you for your support in achieving this level of attendance.

### **Website**

A reminder that our school website contains a lot of information regarding the education of your child. Under our curriculum pages you can gain a full understanding about our intent, implementation and impact across our immersive knowledge led curriculum.

### **Parents Evening**

Our staff are still available for any parent who was unable to arrange a meeting last week. If you wish for a phone call with your child's teacher to discuss their education and welfare, please inform Mrs Holroyd.

### **Kenwyn Church**

Kenwyn Church are holding an all-age service on 30<sup>th</sup> May. Children are invited to bring any transforming toys to the event if they wish.

Please contact Chris Parsons [vicarkenstallen@gmail.com](mailto:vicarkenstallen@gmail.com) 01872 263 015 by 27<sup>th</sup> May if you would like to attend.

### **Headlice**

We have received reports of headlice appearing in some children's hair, this tends to happen as the weather gets warmer. Please check your child's hair and treat if needed. Thank you.

**NHS Advice – A reminder**

The NHS reports that the three main symptoms of Corona Virus to be watchful for are:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours

- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal

If your child has any of the main symptoms of coronavirus, get a test to check if they have coronavirus as soon as possible. Stay at home and do not have visitors until you get the test result – only leave your home to have a test. Anyone you live with, and anyone in your support bubble, must also stay at home until you get the result.

**Have a restful weekend.**
