

Dear Parents and Carers

Today sees the end of the first full week of our year – no doubt there will be some tired children coming home this afternoon. Through our monitoring the children have shown full engagement and enthusiasm for their learning throughout the week and across all subjects. Adults have been consistent in setting high expectations whilst being supportive of the emotional impact of returning to school after the summer break. Overall it has been a fantastic beginning to our school year at SLE. Thank you for your support in ensuring that our children have started so well.

A new school year may mean new contact details for some of our families. Please log into Arbor to check your children's details and ensure that we have all the most current contact details for emergency contacts, any medical conditions and photo consents.

On the subject of medical conditions – our staff will be undertaking First Aid training next week on Monday and Wednesday after-school to ensure our provision remains relevant and up to date.

Please take careful note of the dates and times of all the events on this newsletter, including the Christmas ones – It is not too early to mention the C word, as supermarkets have been stocking seasonal chocolates since the middle of August!

Thank you for your continue support.

Enjoy your weekend – Mr Wilson

This week we were informed that Miss Adler has made the difficult decision to pursue a new carer away from education which allows her to spend more time with her family. Miss Adler will be saying goodbye to SLE on Friday 25th October.
