

Dear Parents and Carers,

New Development

As you will have seen when visiting the school at drop-off and collection the new building is taking shape. Unfortunately, due to the weather before Christmas and an issue with supply chains the completion date for the building has had to be moved. We now expect the building to be handed over on 11th February. Currently, we are undertaking a data gathering exercise to ascertain the likely needs for our Pre-School provision.

Please share the link below with anyone you think who may be interested in registering an interest:
