7th April 2022

Dear Parents and Carers,

Wishing you all a very Happy Easter and thank you for your continued support through another challenging term. Coping with an even higher rate of Covid and the challenges it provided for us all at various times has been made easier with everyone's co-operation and understanding. Forced changes in the staffing of the school due to Covid, the children have embraced them and carried on working diligently throughout. Thank you to everyone for their support and understanding with the everchanging staffing situation.

Voting for New House Names

All the children have been put into houses and will be work towards receiving rewards for good work and behaviour. Each week the rewards for each house will be totalled up by the captains to find the weekly house winner. We are asking for suggestions of names for our four houses. Please email in your suggestions and a vote will be held at the beginning of next term.

Helford Class Production

Two amazing performances were provided by the children yesterday and today! Well done to them all who coped with missing performers and events that happened along the way! True, stars in the making. Again, thanks to FOSS members who provided and served the refreshments!
